

FUNERAL DINNERS MINISTRY

In existence for over 30 years, this ministry consists of people who offer their time and talents to serve the families of those who have died. Upon the family's request, this ministry provides the luncheon following a funeral liturgy, which includes setting up the dining room, contacting people to bring in food for the luncheon, serving the food and cleaning up following the luncheon.

Additional leaders are needed to order and pick up the food for the luncheon, as well as to oversee the preparation and cleanup of the luncheon. If you are interested in becoming a leader in this ministry, please contact Mary Anderson at 715-246-4732. In addition, there is a need for more people to bring in food for funeral luncheons. Your help is appreciated.
