

COFFEE & DONUTS MINISTRY

On most Sundays, following the 9:00 AM Mass, you will find a shared fellowship in Corrigan Hall where coffee and donuts, juice and milk are served. There are 8 groups of people and the KC's who rotate serving coffee and donuts. This ministry fosters a social atmosphere to bring people together to socialize and to become better acquainted with other parishioners in our parish and to meet visitors to our Church.

Mary Rosauer, who heads this ministry, states that this ministry has also helped those who do the serving to become better acquainted with each other. The responsibilities of this ministry include setting up, preparing the coffee and juice, and clean up. Anyone interested in helping out with this ministry may contact Mary Rosauer at 246-5161.
