

## **OFFICE VOLUNTEERS**

**Ragna Raasch**

**Mary Hopkins**

**Ragna and Mary are two of about 25 people who volunteer in the church office at various times throughout the year. These volunteers help with such tasks as data entry, filing, collating and stapling handouts or booklets, stuffing and stamping envelopes and other tasks as needed.**

**Volunteers are an important support to the office staff. If you have an interest in volunteering in the church office, contact Jo Germain at 715-246-4652, ext. 4. Let her know what your interests and skills are and how often you may be available to volunteer.**

**Whether you volunteer often or a couple of times a year, you are appreciated for the time and assistance given.**
