

## **Wednesday Morning Bible Study**

**When one walk into the Wednesday morning Bible Study, one might soon discover that this is no ordinary Bible Study. This group has met faithfully each week since at least 2000, in spite of the fact that not all of the 20+ people are able to attend. Their studies have focused on the Women of the Old Testament, the Gospels, as well as other books of the Bible. They are currently going through the 10 Commandments. They work with Kim at the CF office to obtain materials for their study through the Diocese. Bible study is only one of the things they focus on. They also pray for all the needs of our parish and community, as well as for all of the prayer blanket recipients. They support each other through the ups and downs of life. The mission of this group goes beyond the walls of the room they meet in. They have assisted Grace Place as well as the Work camp teens through their donations. They also support a family in need at Christmas time, as well as other projects.**

**When asked what this Bible Study does for them, the group's responses were very enthusiastic. Such responses include that the Bible Study has helped them to have a deeper understanding of life in general, a deeper appreciation of the Bible, more tolerance, as well as being able to learn and share. They have grown together as a family and have seen many prayers answered.**

**The group's plan is to invite speakers in on specific topics. They welcome new members to join their group. Men and women are welcome to any time. For times of Wednesday morning Bible Study or other information, contact Laura Rebhan at 246-2950.**
